Speakers

John and Carol Arnott are the founding pastors of Toronto Airport Christian Fellowship (TACF). Together they are used by God to encourage renewal and revival around the world through their travelling ministry. They have hosted conferences and revival meetings at TACF for over 12 years and it continues powerfully to this day.

Alyn and AJ Jones are dynamic speakers who carry the heart of TACF's core values. They travel widely, teaching on intimacy, the Father Heart of God and many inner healing topics. AJ's powerful testimony of God's restoration in her life has been a catalyst for healing and freedom in thousands of hearts and lives. Alyn and AJ are both passionate about raising leaders and are involved in training and equipping others to see this vision fulfilled.

5-9th May**

It's your time to receive!

- Are you tired?
- Burnt out by ministry?
- Or simply wanting some time and space to pursue greater intimacy and healing in the Lord?

This is your opportunity to take time out from the heavy demands of ministry and daily responsibilities and instead, receive...receive...receive.

A safe place

You are invited to a safe place where the Holy Spirit ministers to the ministers and hungry at heart. It's a life changing School for Leaders and people with a heart for ministry that is especially designed for full time ministers, lay leaders, missionaries and their spouses and people with a desire to go deeper with the Lord.

You will learn to hear God's voice, have your heart secured in Daddy's awesome love and have your heart healed up more, so that you can minister for the rest of your life in the awesome power and friendship of the Holy Spirit, doing healings, signs, wonders and miracles, bringing the supernatural life of Jesus and His Kingdom wherever you go.

The Leaders School has been created as an oasis where the Lord can restore, renew and refresh you. For 5 days you can soak in the sweet presence of the Father's love while He renews your passion and vision for Himself and the call He has on your life.

With lots of wonderful worship, ministry and teaching in the key areas we believe will lead you into greater intimacy and personal renewal.
